

Dive into science this summer with the SURF program!

APPLICATION DEADLINE
MARCH 1, 2012

Summer 2012

SCRIPPS UNDERGRADUATE RESEARCH FELLOWSHIPS

Scripps Institution of Oceanography at the University of California, San Diego is recruiting highly motivated undergraduate students for the 2012 Scripps Undergraduate Research Fellowship (SURF) program. This 10-week program provides opportunities for independent research in the earth, ocean, and atmospheric sciences alongside a scientist mentor.

SURF participants will receive a stipend, housing, and support for travel and supplies.

Open to U.S. citizens and permanent residents. Minorities and students from institutions with limited undergraduate research opportunities are encouraged to apply.

AREAS OF RESEARCH

Marine Biology • Oceanography • Engineering •
Climate Research • Physical Oceanography •
Geosciences • Geophysics • Atmospheric
Chemistry • Marine Chemistry • Marine
Biotechnology and Biomedicine
